Service List

Packages available for series. Prices adjusted based on consultation.

MEDICAL PEELS/FACIALS

Especially effective for acne, rosacea, sun damage, fine lines/wrinkles and unevenly pigmented skin. Medical Peels that are radically different and remarkably effective.

LASER HAIR REMOVAL

A revolutionary long-pulse high energy laser that destroys the hair follicle leaving the surrounding skin unaffected. For all skin types.

FRAXEL® LASER

Skin resurfacing treatment designed to repair fine lines/wrinkles and acne scars, while improving skin texture and uneven pigment with minimal down time.

IPL PHOTOFACIAL REJUVENATION

Treatment of broken capillaries, sun damage and pigmentation problems on the face and body.

GENTLE YAG® LASER

Laser therapy used for skin tightening of the face and body.

BLU-U® LIGHT THERAPY

Advanced light therapy for the treatment and prevention of acne.

GENTLE WAVE LIGHT THERAPY

Natural, variable wavelengths of light which gently stimulates collagen production and inhibits cellular activity to reduce the signs of aging.

BOTOX® COSMETIC

Decreases the lines of facial expressions that appear between your brows and other areas of the face.

DERMAL FILLERS

(Restylane®, Perlane®, Juvéderm™, Radiesse®)
Safe, natural, non-animal based cosmetic dermal fillers that restore fullness to skin and correct moderate to severe facial wrinkles and folds.

MICRO-CURRENT REJUVENATION THERAPY

Homeopathic micro-current therapy used in the treatment of collagen loss and to promote facial rejuvenation.

VIBRADERM

Treatment for the exfoliation of dead skin cells and for the stimulation of collagen. An advanced form of microdermabrasion.

MINERAL MAKE-UP

Full product line of Jane Iredale Mineral Make-up available. Consultations, application lessons and special occasion services are offered.

PERMANENT MAKE-UP

Designed to enhance the beauty of your brows, eyes and lip area.

BODY TREATMENTS

Hot Stone Massage, body exfoliation and detoxifying body treatments designed to meet your individual needs.
