Service List

Packages available for series. Prices adjusted based on consultation.

MEDICAL PEELS & FACIALS

Especially effective for acne, rosacea, sun damage, fine lines/wrinkles and unevenly pigmented skin. Medical Peels that are radically different and remarkably effective. Waxing services are also available.

LASER PEELS

Pixel technology stimulates new collagen growth, which improves skin texture and tone. Reduces fine lines and wrinkles.

LASER HAIR REMOVAL

Revolutionary long-pulse, high energy lasers that destroys the hair follicle leaving the surrounding skin unaffected.

For all skin types...using the latest technology.

FRAXEL® LASER

Skin resurfacing treatment designed to repair fine lines/wrinkles and acne scars, while improving skin texture and uneven pigment with minimal down time.

IPL PHOTOFACIAL REJUVENATION

Treatment of broken capillaries, sun damage and pigmentation problems on the face and body.

ACCENT™ FACE & BODY SKIN TIGHTENING

Radio frequency energy used to heat the skin's dermis. Helps smooth and contour any loose, wrinkled or dimpled skin on the face and body. No down time with treatment.

SMOOTHBEAM LASER

A diode laser specifically designed to target the cause of acne. Safely improves scars and softens fine lines around the eyes.

VIBRADERM

Treatment for the exfoliation of dead skin cells and for the stimulation of collagen. An advanced form of microdermabrasion.

BLU-U® LIGHT THERAPY

Advanced light therapy for the treatment and prevention of acne.

GENTLE WAVE LIGHT THERAPY

Variable wavelengths of light which stimulates collagen and inhibits cellular activity to reduce the signs of aging.

BOTOX® COSMETIC

Decreases the lines of facial expressions that appear between your brows and other areas of the face.

DERMAL FILLERS

(Restylane®, Perlane®, Juvederm™, Radiesse®)
Safe, natural, non-animal based cosmetic dermal fillers that restore fullness to skin and correct wrinkles and folds.

PERMANENT MAKE-UP

Designed to enhance the beauty of your brows, eyes and lip area.

TATTOO REMOVAL

Q-Switch laser which provides a safe and effective way of removing tattoos. Eliminating tattoos, with this laser treatment leaves natural looking skin. Can also be used to remove cosmetic permanent make-up.

ADVANCED™ TEETH WHITENING

This quick and easy in-office whitening procedure can brighten smiles 3-4 shades in just 20 minutes.

MINERAL MAKE-UP

Full product line of Jane Iredale Mineral Make-up available. Consultations, application lessons and special occasion services are offered.
